## Language level test - CFER

The initial and final language level tests are extremely important for effective course planning and an objective evaluation of the attainment level at the end of the learning project.

The result in numerical form refers to the Common European Framework of Reference for languages (CFER) and international linguistic standards.

The test consists of a 45-minute written (multiple choice) test and an oral interview of 10 minutes.

The screenshot shows a web browser window with the URL [www.parlamondo.com/tol/login.php](http://www.parlamondo.com/tol/login.php). The page features the Parla mondo logo and the text "TEST ON LINE". Below the logo, there is a login form with two input fields: "Email" and "Password". The "Email" field has a person icon on the left, and the "Password" field has a key icon on the left. A blue "Login" button is positioned to the right of the password field. Below the login form, there is a link that says "Non sei registrato? Effettua la registrazione" with a person icon. At the bottom of the form, there is a link that says "Password dimenticata?".
